Johnny Boy, my friend  
It is the end  
Of the summertime  
And the wine  
In the tree  
You and me  
You recall all the tears  
I had fears  
You could not stop them from falling  
But you did  
Johnny Boy, my friend  
They're falling again

Johnny Boy, my friend  
Stop them again  
For a lonely girl  
In the world  
Of the stone buildings that would turn brown  
If they were born in the town where the trees are grown  
Johnny Boy, I'm all alone  
Please take me home

Johnny Boy, my friend  
Please hold my hand  
In the middle of the night  
When the world crashes  
With all its might  
Johnny Boy, if you had pain  
I would do the same  
Johnny Boy, my friend  
You gotta help me again
