Greetings  
This is Uncle Sam  
I want to take you  
To a far off land

I need you  
Oh, I need you  
Yes, I need you  
To lend a helping hand

Said goodbye  
To all my buddies  
Say hello  
To your new friends  
'Cause you're in the army now  
And your new life has just begun

I need you  
Oh, I need you  
Yes, I need you  
To lend a helping hand

I can just see me now  
With a rifle in my hand  
I'm gonna have to say  
Goodbye to my girl  
And I hope she doesn't  
Find another man  
And baby, baby  
While I'm away  
Please, please write everyday

Oh no, no  
Please don't take me, Uncle Sam  
You're in the army now

Goodbye, baby  
So long, friends  
Goodbye, baby  
I hope to see you again

I need you

(Come on, boy)  
Oh, I need you  
(We're gonna make a man out of you)  
Yes, I need you  
To lend a helping hand  
(This one training  
You're not gonna miss)

Come on, boy  
Whatta mean you've never heard of KP  
I don't care if it's 4 in the morning  
There is a right way  
A wrong way  
And there's my way  
You'll do it my way

Come on, boy  
On the double  
Get in step, boy  
Come on, now  
March, march

Your mama's a long ways off, boy  
So stop your crying  
March  
Get in step, boy  
Left, right  
Left, right  
I said get in step, boy  
Left
