When my lips move, your hips move so tell me
What you're thinking of me. Oh oh.
When they let lose, your hips chose so tell me
What you think of me. Oh oh.

Well it was nothing but a false alarm.
Not love, but looks can charm. And all
The boys want to be noticed. And all the
Girls do what they know best. Are we all
The same when the lights go down? (I can feel you
now.)

All I ever wanted was a sunset, and not a regret.
(I'm regressing back to you!)
All I ever wanted was a moment, I think I've blown it.
(For me this is nothing new.)

When my lips move, your hips move so tell me
What you're thinking of me. Oh oh.
When they let lose, your hips chose so tell me
What you think of me. Oh oh.

Tell me what you think of me... Tell me
What you think of me. Oh, Whoa.

Take your best shot, I won't stop your moving.
Want you to move, I want you to do it.
Take your best shot, I won't stop your turnin' round.
Take your best shot, I won't stop your moving.
Want you to move, I want you to do it!
Take your best shot, I won't stop your turnin' round.

All I ever wanted was a sunset, and not a regret.
(I'm regressing back to you!)
All I ever wanted was a moment, I think I've blown it.
(For me this is nothing new.)

When my lips move, your hips move so tell me
What you're thinking of me. Oh oh.
When they let lose, your hips chose so tell me
What you think of me. Oh oh.
Tell me what you think of me...

So many faces, but not one with your eyes.
That's it, I've had enough I'm giving up.
I'm all out of lies.
So many faces, but not one with your eyes.
That's it, I've had enough I'm giving up.
So many faces, but not one with your eyes!
That's it, I've had enough I'm giving up.
I'm all out of lies...

All I ever wanted was a sunset, and not a regret.
(I'm regressing back to you!)
All I ever wanted was a moment, I think I've blown it.
(For me this is nothing new.)

When my lips move, your hips move so tell me
What you're thinking of me. Oh oh.
When they let lose, your hips chose so tell me
What you think of me. Oh oh. Tell me what you think
Of me. (I only wanted sunsets!) What you think of me
(Never wanted regrets!) What you think of me.
Only one moment, but I think I've blown it!
