If I could scream this song forever  
Would you ever hear the words?  
Would you picture for a moment  
Me singing you the verse?  
And I wonder if you're out there  
Hoping that I'll see  
And wondering if I'm here  
Hoping that you think of me,

I second guess, I'm such a mess  
I'm nothing but your lover's second best and,  
You second guess, you're such a mess  
You don't love him but I'm still your second best (your  
second best)

And yeah this feeling will subside  
I'll keep on walking through this life  
Just so you know I'll never go another night without  
feeling all these lies  
And so I'll sing  
Until my voice is empty  
And I'll feel  
Until my heart won't let me,

I second guess, I'm such a mess  
I'm nothing but your lover's second best and,  
You second guess, you're such a mess  
You don't love him but I'm still your second best (your  
second best)

I hope it's what you wanted  
Cuz this is it you've got it  
We'll never speak again and I'm relieved just to be  
honest  
We learn from every mistake, that we make  
And you can fill a dent, but you can't fix a break  
We're broken,

You're the poison, I'm the throat  
I'm looking for the antidote  
I'm burning every word I wrote

Til all that's left, is my last note, to you,  
[repeat]

I used to second guess  
Yeah I was such a mess  
I was nothing but your lover's second best and,  
Now you're his second best  
Thank god you're such a mess  
Your face was special now it's just like all the rest,  
you're second best
