Rollin' out on a Friday night
Bros in the car on the street outside
The music's up so loud it's shakin' my freakin'
neighbour's house
Now tweetin' from my best friend's car
Girl's sayin' "Where you at?", not far
Just showed up and they're playin' my song
Hit the button, party on,

Uh oh, here we go, shakin' up the dancefloor
Get low, get-get low, now we're rockin' partycore
Uh oh, here we go, shakin' up the dancefloor
Get low, get-get low, damn I'm such a party whore

Few drinks and I lose my mind
Talkin' to the girls with their boys in sight
Shirts off and we're in the pool
Got Luda' crankin' Act a Fool
This party's fast and furious you're curious
So if you wanna know when it comes undone
I'll be on the floor screaming come get some.

Uh oh, here we go, shakin' up the dancefloor
Get low, get-get low, now we're rockin' partycore
Uh oh, here we go, shakin' up the dancefloor
Get low, get-get low, damn I'm such a party whore

I'm a sucker for the sound of your voice, it's not a
choice
I'm just a sucker for the sound of your voice

Excuse me honey but you look like a supermodel
I'm pretty sure this has nothing to do with half that
bottle
I met your boyfriend he said "I already got her"
But he don't know that I'm magic like Harry Potter
[repeat]

I got this party singing:

Uh oh, here we go, shakin' up the dancefloor

Get low, get-get low, now we're rockin' partycore
Uh oh, here we go, shakin' up the dancefloor
Get low, get-get low, damn I'm such a party whore
[repeat]
