YOU GOTTA BE LOVED

The Montanas

You gotta be loved

You gotta be loved

You gotta remember girl to make your life worthwhile

You gotta be wanted

You gotta be loved

You gotta be wanted

You gotta be loved

It isn't the clothes you wore that soon went out of style

Cause baby you need it

You gotta be loved

You gotta be loved yeah

You gotta be loved

You gotta be loved yeah

You gotta be loved all the way

Every hour every day

I'll be there

I'll be with you

You gotta be loved yeah

You gotta be loved all the time

All the dreams that were mine

We can share

You know baby how I care

Turn around and I'll be there

You needn't be lonely when there's someone all the  
while

To make you feel wanted

You gotta be loved

You gotta be loved

You gotta be loved

INSTRUMENTAL INTERLUDE

You gotta be wanted

You gotta be loved

You gotta be loved yeah

You gotta be loved

You gotta be loved yeah

You gotta be loved all the way

Every hour every day

I'll be there

I'll be with you

You gotta be loved yeah

You gotta be loved all the time

All the dreams that were mine

We can share

You know baby how I care

Turn around and I'll be there

You needn't feel lonely when there's someone all the  
while

To make you feel wanted

You gotta be loved

You gotta be loved

You gotta be loved
