Na na na na! Na na na! Na na na!

Plug me in and turn me on  
Listen here cause here it comes  
Got hot licks on ya guitar strings  
Riffs and rhythms and guitar thangs

Turn me on and turn me up  
And turn me loose  
I am alive and amplified  
I am alive

Na na na na! Na na na! Na na na!

Finger tingle got that feelin'  
Ya just touched the Sistine ceilin'  
Come alive and a gimme five  
Just slap my hand and amplify

Turn me on and turn me up  
And turn me loose  
I am alive and amplified  
A am alive

Na na na na! Na na na! Na na na!
