Everytime I look in your eyes  
I see the heavens and the starry skies  
but then you get so distant sometimes  
and I can tell - there's someone else on your mind  
If you want me to be your someone  
then I got to be the only one  
Everytime

Everytime you call my name  
my pulse runs like a runaway freight train  
but sometimes I need somebody - and you're gone  
and the record player's playin' that lonesome song  
You know I'd rather be alone  
if I can't have you for my own  
Everytime

Everytime I see you cry  
well I wanna dry the tear from your eye  
but each time you leave me alone  
you leave a pain in my heart of stone  
If you want me to be your someone  
I got to be your only one  
Everytime
