Girl, I think it's plain to see
Girl, I think you were meant for me
think how happy we may be - so happy
Girl, hold you so close to me
Could you listen to me please?
Oh my Dear Persephone

Girl, hold you in my arms so tight
Girl, underneath the starry night
Everything may be alright - be alright
Girl, catch elusive love we might
You're my brilliant star so bright you see
My Dear Persephone
Could you listen to me please?
Oh my Dear Persephone
Oh my Dear Persephone
