Everyone needs honey,
like a bird or bee.
Girl i need your loving,
Like fish needs the sea.

When the bluebird whistles,
When the rooster crows,
like the firey inferno,
when volcanoes explode!

Mother nature leave me be,
desire rides my back.
All this feeling killing me,
I need you girl before I crack,
and that's a natural fact.

hey yeah, and that's a natural fact.

yeah.

everyone loves a flower, blooming in the spring.
baby let's let our love, begin blossoming.

deeper than the ocean,
higher than the clouds,
baby these emotions,
will turn me inside out.

Mother nature leave me be,
desire rides my back.
All this feeling killing me,
I need you girl before I crack,
and that's a natural fact.

Oh...
and that's a natural fact...
hey, yeah...

Mother nature leave me be,
desire rides my back.
All this feeling killing me,
I need you girl before I crack,

and that's a natural fact.

Hey yeah,
and that's a natural fact...
oh... oh yeah!
hey! hey...
and thats a natural fact...
yeah... yeah!
and thats a natural fact...
