Oh no

If the stars fell from the sky would I let you pass me by?
in this cold world oh so cruel can anything keep me
from you?

Oh no

You can burn me into ashes I'll be born anew
Might it quiet this fire of mine if the starlight ceased to
shine?

would you not find me around if the mountains
crumbled down?

Oh no

If you ask me "swear secrecy" I wouldn't make a sound
Who knows what dangers we'll find like Icarus on his
climb

you and me may reach it all if we climb so high will we
fall?

Oh no But if afterlife's like being by you I won't mind at
all
