Heaven sends to all mankind
Understanding and peace of mind
But if it's not askin' too much
Please send me someone to love
Someone to love

I'd show the world how
To get along
Peace will enter
Where it has gone
But if it's not askin' too much
Please, please send me someone to love
(Someone to love)

I'll awaken nights
Find the world so troubled
And my answer is always the same
That unless man put an end
To this horrible sin
Hateful in a flame
What a shame

Just because I'm in misery
I don't beg for no sympathy
But if it's not askin' too much
Please send me someone to love
Woah yeah, someone to love
