It's been so long  
Since I been alone  
I can't think of a time  
When you will realise  
That you were breathing by my side  
My mother said  
To talk things true  
Don't let heavy hearts pile up on you  
But how can I  
When I'm too scared to speak  
I cried all night  
But I put in too much to turn away now

I've been waiting for you to say  
That I am better off  
With out you  
Anyway  
But we both know that that's just a lie  
But what's said is done  
We're almost gone  
I can't see your face  
Oohhhh oohhhh  
I can't find my way  
Ohhhhh whoooaaa  
I can't catch a break  
Ohhhhh whoooaaa  
I can't count the days  
Everyone looks the same  
Everyone looks the same  
Ohhh whoooaaa  
Everyone looks the same  
Ohhh whoooaa  
Everyone looks the same  
Ohhh whoooaa  
Everyone looks the same  
Ohhhhh whoooaaa  
Ohhhhh whoooaaa
