I spend my days fading away, like your memories
I've tried so hard but you just stay, I still feel everything
I hate the way you look through me, as if I'm only the
wind
The way I feel is permanent, no one can take it away

Tell me I'm wrong
You've lost the love you needed most
Tell me I'm wrong
Forgotten everything you know
Tell me I'm wrong
The reasons why I'm letting go
Tell me I'm wrong this time
Please tell me I'm wrong this time

I followed you into the dark, a place where I can forget
Your smile was the only spark, but it felt dissonant
I need some time to be alone, so I can figure it out
I feel you still inside my bones, but there's no turning
around

Tell me I'm wrong
You've lost the love you needed most
Tell me I'm wrong
Forgotten everything you know
Tell me I'm wrong
The reasons why I'm letting go (ooh)
Tell me I'm wrong this time
Please tell me I'm wrong this time (oh-oh-oo)

Oh-oh-oo
Oh-oh-oo
I spend my days fading away, like your memories
I've tried so hard but you just stay, I still feel everything
So tell me I'm wrong
You've lost the love you needed most
Tell me I'm wrong
Forgotten everything you know
Tell me I'm wrong
The reasons why I'm letting go-oo

Tell me I'm wrong
You've lost the love you needed most
Tell me I'm wrong
Forgotten everything you know
Tell me I'm wrong
The reasons why I'm letting go
Tell me I'm wrong this time (tell me I'm wrong this time)
Tell me I'm wrong this time (tell me I'm wrong this time)
Tell me I'm wrong this time (tell me I'm wrong this time)
Tell me I'm wrong this time
