stay, this isn't the way you should leave
well it feels like you wanted this
now that i'm waiting,
love doesn't feel the same

you're sorry it's not meant to be
well i know you were feeling it
all that i wanted, all that i needed was change

well i feel it building up
but they said the worst is yet to come
oh god, i hope they're wrong
i can't face the world outside

and oh, we are the ones that fall apart
when love is never enough to keep our hearts growing
it's never enough to keep our hearts growing

say, it isn't as bad as it seems
when you can't bother looking
and sorry it wasn't all that you wanted & more

well i feel it building up
they said the worst is yet to come
oh god, i hope they're wrong
i can't face the world outside

and oh, we are the ones that fall apart
when love is never enough to keep our hearts growing
and oh, we are the ones that fall apart
when love is never enough to keep our hearts growing
never enough to keep our hearts growing

well i feel it building up
but they said the worst is yet to come
and oh, oh, oh, oh, oh
i'm sorry it wasn't all that you wanted in love

oh, we are the ones that fall apart
when love is never enough to keep our hearts growing
oh, we are the ones that fall apart

when love is never enough to keep our hearts growing
it's never enough to keep our hearts growing
it's never enough to keep our hearts growing
