

The Morning Of "Violins And Trees"

My soul was swayed
By violins and trees
I was sick for dark
As the wind sank through the breeze
Here's the pageantry
And heres the carnival
As the start of dusk creeps upon us all

And I will know you by
How your body speaks to me
As we wander the night
Singing to the streets
And I will know you by
How you live for all your dreams
You're unforgettable
You're unforgettable

Faint footsteps like
A thousand overtures
The lure of friendly eyes, the voices of the night
We'll drift like summer sounds
On the summer air
Whisper like violins
While waiting for you there

And I will know you by
How your body speaks to me
As we wander the night
Singing to the streets
And I will know you by
How you live for all your dreams
You're unforgettable
You're unforgettable

And I will know you by
How your body speaks to me
As we wander the night
Singing to the streets
And I will know you by
How you live for all your dreams
You're unforgettable

You're unforgettable
Oooooohh...
