(verse)

Look at me I'm a message  
Shooting at the stars all away from the gun  
I promise I will leave you breathless  
You say you will wear my heart till the end

I am doing cartwheels  
I am on a light in the sky  
You say we are on to something  
Yes we are awake again

(chorus)

This (this) sound (this) sound (is) breaking up,  
This time is for the taking  
Turn me up and turn me on to this  
Shit together we resist  
So it is  
And we kiss (kiss) kiss (kiss) kiss (kiss) kiss (kiss)  
Turn me up and turn me on to this
