sitten here feelin kinda crazy
but not just any crazy
its the kind you feel when you love somebody
and i dont doubt my baby
is callin somebody else baby
and i cant sit still
look how gone it got me
who in my heart did i abuse
you see this scar here on my chest
im hurtung and he dont even care
its 4am and my lover wont answer
hes probaly somewhere with a dancer
sippen champagne while im in his bed
4am and i think i might loose it
this ma fucka thinkin im stupid
he must of bumped his head
all i no its 4am
sitten here and im gettin heated
pour me up a drink i swear i need it

i think im about bout to hurt somebody
swear this man is beggin me to leave him
gettin sick of bein so mistreated
another night without without his arms around me
who in my heart did i abuse
you see this scar here on my chest
im hurting and he dont even care
it 4am and my lover wont answer
hes probaly somewhere with a dancer
sippen champagne while im in his bed
4am and i think i might loose it
this ma fucka thinkin im stupid
he must of bumped his head
all i no its 4am
i dont deserve this life
i make the perfect wife
but i no loves a sacrafice
but whos gonna sacrafice while
he aint give me all the time
