You make my heart hurt, you my love burn
You make the clock stop, you make my world turn
But words mean nothing, cause I'll abuse them
Oh, oh, oh
And yo touch hit the surface when I need an infusion
Oh, oh, oh

[Chorus:]

Straight through your skin,
Past your soul to your bones closer longer deeper
Further inside you, than you've ever known
Desperately tryin to feel ya
Ooh, ooh, ooh
I need your bones
Ooh, ooh, ooh
Gimmie, gimmie, gimmie your bones!

I wanna own you, I wanna consume you
Get all molecular and pass myself through you!
Hey, baby cause nothing's enough, and I'm slowly
dying
Oh, oh, oh
So please, save me now, you gotta keep trying,
Oh, you gotta keep trying

[Chorus:]

Straight through your skin,
Past your soul to your bones closer longer deeper
Further inside you, than you've ever known
Desperately trying to feel ya
Ooh, ooh, ooh
I need your bones
Ooh, ooh, ooh
Gimmie, gimmie, gimmie your bones!

I passed your liver and your kidneys and your lungs,
Closer, deeper
Cause I wanna get lost in, mixed up in you
Yeah yeah yeah

[Chorus:]

Straight through your skin,

Past your soul to your bones closer longer deeper
Further inside you, than you've ever known
Desperately trying to feel ya
Ooh, ooh, ooh
I need your bones
Ooh, ooh, ooh
Gimmie, gimmie, gimmie your bones!
