Yeaah...

(Cee-Lo - Verse)

What?! That real, that deep, that burning, that amazing
unconditional, inseparable love
That feel like forever, that always emotional but still
exceptional love
Can't nobody tell me nothing it is what it is
And any mistake you make I, I just may forgive
Right now, right now at this very moment I still love her
like I loved her then
I love her in and out and up and down and 'round and
'round and over and over again
So rare they swear that you just don't exist
And It's only one person I can think of that makes me
feel like this
And I'm a fool, such a fool for you!

(Melanie Fiona - Verse)

So sweet, so deep, so real, oooh we
That's some powerful stuff
How you do it? Do do it
Keep it coming

I can't seem to get enough

What you do, what you say
Makes me want to love you
Baby, I don't even have a choice
And if I did it, (?)
Cuz you're the man, (?)

Sweet sugar, I surrender
Like flag,
Oh I wouldn't even put up a fight
Cuz there ain't a day, thing or wronger
About this kind of loving
Oh wait, it feels so right

Gonna, gotta later tell it to my mama

Is she gon' tell the world that I love You!
So people probably see I'm crazy
But I don't mind, being a fool a for you.

I'm a fool, I'm a fool, I'm such a fool....
