Oh yaahh ive got trouble with my friends
Trouble in my life
Problems when you don't come, home at night
But when you do you always start a fight
But I cant be alone , I need you to come on home
I know you messin around, but who the hell else is
gonna hold me down
Ooooh I gotta be out my mind to think it's gonna work
this time
A part of me wants to leave, but the other side still
believes
And it kills me to know how much I really love you
So much I wanna ooh hoo ohh to you hoo hoo
Should I grab his cell, call this chick up
Start some shhhh then hang up
Or I should I be a lady
Oohh maybe cuz I wanna have his babies
Ohh yah yahh cuz I don't wanna be alone
I dont need to be on my own
But I love this man

But some things I just cant stand ohhhh
Ive gotta be out my mind
To think its gonna work this time
A part of me wants to leave but the other half still
believes
and it kills mee to know how much I really love you
So much I wanna oohh hoo ohhh, to you hoo hoo
Should I pay him back, to see how he'll react Ehhhhh
To see if he'll react to my love, my love ohhhh ohhhh
I've gotta be out my mind, to think its gonna work this
time
Apart of me wants to leave, but the other side still
believes
And it kills me (ohhhh), to know how much i really love
u
So much i wanna hoo hoo hoo, to you hoo hoo
Ooohh and it kills me (kills me), to know how much (to
know how much) so much i wanna hoo hoo hoo to you
hoo hoo
