Oh yeahh
I've been troubling my friends
Trouble in my life
Problems when you don't come home at night
But when you do
You always start a fight
But I can't be alone
I need you to come on home

I know you messin around
But who the hell else is gonna hold me down

Ooh I gotta be out my mind
To think it's gonna work this time
A part of me wants to leave
But the other side
Still believes

And it kills me
To know how much I really love you
So much I wanna hoo hoo hoo
To you hoo hoo

Should I grab his cell
Call this chick up
Start some shhh
And then hang up
Or should I be a lady
Ooh maybe cause I wanna have his baby

Ooh yea I don't wanna be alone
I don't need to be on my own
But I love this man
But some things
I just can't stand

Ooh I gotta be out my mind
To think it's gonna work this time
A part of me wants to leave
But the other side still believes

And it kills me

To know how much I really love you
So much I wanna hoo hoo hoo
To you hoo hoo

Should I play him back
To see how he'll react ooo
To see if he'll react to my love
My love

Ooh I gotta be out my mind
To think it's gonna work this time
A part of me wants to leave
But the other side still believes

And it kills me
To know how much I really love you
So much I wanna hoo hoo hoo
To you hoo hoo

Ooh and it kills me
To know how much I really love you
So much I wanna hoo hoo hoo
To you hoo hoo
