Yeah Yeah, Alright, Yeah Yeah  
Ooooooooooh  
Uh ah ah ah ah ah  
Oh love so many suffer, we, all ask why,  
As they fight for their lives,  
Can we try,  
Though it may seem impossible, change it,  
Oh we just can't sit by,  
Love just can't let them die.  
How long 'till we get it right,  
How long will it take,  
Oh we should come together,  
And we should start today.  
I know that we can do it, there 'aint nothin' we can't rise  
above,  
All we need is L-O-V-E, love,  
Love is the right solution, love is the answer we're all in  
need of,  
It's love, all we need is love.  
Yeah Yeah, Alright,  
If you're with me say alright tonight,  
Yeah Yeah, Alright, It's L-O-V-E love.  
So many voices,  
So many mother's cry,  
Can we take the time to listen,  
Oh can we try,  
In this time of trouble, we know,  
Oh, love's the only cure,  
It's what we're waiting for.  
How long 'till we get it right,  
How long will it take,  
Oh we should come together,  
And we should start today.  
I know that we can do it, there 'aint nothin' we can't rise  
above,  
All we need is L-O-V-E, love,  
Love is the right solution, love is the answer we're all in  
need of,  
It's love, all we need is love.  
Yeah Yeah, Alright,  
If you're with me say alright tonight,  
Yeah Yeah, Alright, It's L-O-V-E love.

Hey, Alright,  
Release your love inside,  
Release your love inside.  
It's L-O-V-E love.  
We can shed a light in the darkness,  
We can make it right when it's wrong,  
It's time to conquer hate,  
Before it's too late,  
Show them what we've needed for so long.  
Oh I know that we can do it, oh there 'aint nothin' we  
can't rise above,  
Oh all we need is L-O-V-E, love,  
Love is the right solution, love is the answer we're all in  
need of,  
It's love, all we need is love.  
Yeah Yeah, Alright,  
If you're with me say alright tonight,  
Yeah Yeah, Alright, it all comes back to love,  
Yeah Yeah, Alright,  
Release your love inside,  
Release your love inside,  
It's L-O-V-E love.  
Yeah Yeah, Alright,  
Ye Yeah Yeah Yeah,  
Oh Yeah,  
Yeah Yeah, Alright,  
Hey yeah yeah yeah
