No one's perfect  
No one's certain what life's all about  
It's a door we can't figure out all alone

So we trust in who we can  
Never understand why  
Never good or bad  
Just in-between,  
Like any other man

[Chorus:]  
So I teach him,  
Teach him not to lie,  
Make him laugh until he cries,  
Hold him, stand by his side  
Hoping he'll change his way of life.

Having seen the light for many nights,  
Still I keep the vision of candle lights  
Wanna be alone, wanna be with you  
I'm so confused

So the next time we meet,  
We'll do it again

Whatever your heart's fixing,  
Never good or bad  
Just in-between,  
Like any other man

[Chorus:]  
So I teach him,  
Teach him not to lie,  
Make him laugh until he cries,  
Hold him, stand by his side  
Hoping he'll change his way of life.

No one's perfect  
No one's certain what life's all about  
Sometimes it's the man to be figured out  
Never good or bad  
So I understand

[Chorus:]  
So I teach him,  
Teach him not to lie,  
Make him laugh until he cries,  
Hold him, stand by his side  
Hoping he'll change his way of life.
