Excuse me if I interrupt  
So many things I gave up  
Still I can't get what I want  
You say it is all my fault

Wasted time equal years  
To find out you never cared  
But guess what [Incomprehensible]  
Guess what and nobody else

I'm gon' make it hell in your life  
I'm gon' make sure things don't go right  
Fool me once but you won't fool me twice  
Don't say shh, just walk on by

So many days have gone by  
Being here alone asking why  
You can't be wrong and you're right  
Think it's all good when you apologize

You said that baby was yours  
You never left her, of course  
You're gonna wish we never met  
You're gonna get what's coming  
I'm gon' make it hell in your life  
I'm gon' make sure things don't go right  
Fool me once but you won't fool me twice  
Don't say shh, just walk on by

Don't say shh, just walk on by  
Don't say shh, just walk on by

I'm gon' make it hell in your life  
I'm gon' make sure things don't go right  
Fool me once but you won't fool me twice  
Don't say shh, just walk on by

I'm gon' make it hell in your life  
I'm gon' make sure things don't go right  
Fool me once but you won't fool me twice  
Don't say shh, just walk on by

I'm gon' make it hell in your life  
I'm gon' make sure things don't go right  
Fool me once but you won't fool me twice  
Don't say shh, just walk on by  
Don't say, just walk on by
