In this life I've seen  
Everything I can see, woman  
I've seen lovers flying  
Through the air hand in hand  
I've seen babies  
Dancing in the midnight sun  
And I've seen dreams that came  
From the heavenly skies above

I've seen old men crying  
At their own grave sides  
And I've seen pigs all sitting  
Watching picture slides  
But I never seen nothing like you

(CHORUS)

Do ya, do ya want my love, woman  
Do ya, do ya want my face, I need it  
Do ya, do ya want my mind, I'm saying  
Do ya, do ya want my love

Well, I heard the crowd  
Singing out of tune  
As they sat and sang Auld Lang Syne  
By the light of the moon  
I heard the preachers banging on the drums  
And I heard the police  
Playing with their guns  
But I, I never heard nothing like you

In the country, where the sky  
Touches down on the field  
She lay her down to rest  
In the morning sun  
They come a running just to get a look  
Just to feel, to touch her long black hair  
They don't give a damn

But, I, I, I never seen nothing like you

(CHORUS)

Well, I think you know  
What I'm trying to say, woman  
That is I'd like to  
Save you for a rainy day  
I've seen enough of the world to know  
That I've got to get it all  
To get it all to grow

Do ya, do ya want my love, come on now  
Do ya, do ya want my face, I need it  
Do ya, do ya want my mind, alright now  
Do ya, do ya want my love

Ah, look out  
Do ya, do ya want my love  
Do ya, do ya want my love, oh oh
