I live in the boredom zone
I'm never goin' home
Everything is sterilized
Everything is twice my size
And I wish it was
And it's all because
I live in the boredom zone, boredom zone
I live in the boredom zone, I'm never goin' home
I live in the boredom zone.
I'm bouncing off the walls
I'm making paper dolls
I'm talking to myself,
Hoping something will come up
But it never does
And it's all because
I live in the boredom zone, boredom zone
I live in the boredom zone, I'm never goin' home
I live in the boredom zone.
'cause I live in the boredom zone, boredom zone
I live in the boredom zone, I'm never goin' home
I live in the boredom zone.
Boredom zone, boredom zone.
