Here you go way to fast
Don't slow down you're gonna crash
You should watch - watch your stay here
Don't look out you're gonna break your neck
So shut up, shut your mouth
Cause I'm not listening anyhow
I've had enough, enough of you
Enough to last a life time through
So what do you want of me?
Got no words of sympathy and if I go around with you
You know that I'll get messed up too with you
Na na na na na
Na na na na na
Here you go way to fast
Don't slow down you're gonna crash
You don't know what's been going down
You've been running all over town
So shut up, shut your mouth
Cause I'm not listening anyhow
I've had enough, enough of you
Enough to last a life time through
So what do you want of me?
Got no cure for misery and if I go around with you
You know that i'll get messed up too with you
With you
Na na na na na
Slow down you're gonna crash
Na na na na na
Slow down you're gonna crash
Na na na na na
Slow down you're gonna crash
