Out of the hospital  
Out against my will  
Life is so beautiful  
Iæš³e gone mental  
Mental! Mental!  
Iæš³e killed my family  
They thought I was an oddity  
Life is so beautiful  
I am a vegetable  
Mental! Mental!  
Iæš³e gone mental  
Iæš³e gone mental  
Staring at my goldfish bowl  
Popping phenobarbitol  
Life is so beautiful  
Iæš³e gone mental  
Mental! Mental!  
Sitting on my window sill  
Life is so beautiful  
Iæš³e become irrational  
Iæš³e gone mental  
Mental! Mental!  
Iæš³e gone mental.
