I've been up all night and down all day because we're
such a good couple
But you're so far away. What you are is the best and
that's nothing less
Than the one I wanna waste the rest of my whole life
with. Yes indeed,
You're guaranteed to everything I'll ever need. I'm
wasting my life away
And I know I'll be sorry one day. But all I ever wanted to
do is this
And have someone to waste it with so anything you
wanna do, I just want
To do it with you. I'm not a cool dude, I don't have a
tattoo, or a big
Cadillac or a backwards baseball hat. I'm not too tall, I
can't play
Basketball. I can't do much at all but still you wanna
touch it all.
Yeah you do, I do too. Why would I lie? Everything I said
is true. I'm
Wasting my life away and I know there'll be hell to pay.
But till then I
Want to be with you and try to help you waste yours too
and anything you
Wanna do, I just wanna do it with you. I just wanna do it
with you, I
Just wanna do it with you. Anything you wanna do, I just
wanna do it
With you. Go! We're so far apart and the trouble is that
I can't take
BART out to where you live but I got it all planned, we'll
meet halfway
And then we'll feel so grand when we're hand-in-hand
and we're walking,
Walking, I love you, and it's not just the prozac talking.
I'm just a
Simple man who you could do much better than. Still I
ask respectfully,
Will you waste your life with me? Then anything you
wanna do, I just
Wanna do it with you...
