Please please tell me now
Please please tell me now
I made a break I run out yesterday
Tried to find my mountain hideaway
Maybe next year maybe no go
I know you're watching me every minute of the day
yeah
I've seen the signs and the looks and the pictures
They give your game away yeah
There's a dream that strings the road
With broken glass for us to hold
And I cut so far before I had to stay
Please please tell me now is there something I should
know
Is there something I should say that would make you
come my way
Do you feel the same 'cause you don't let it show
People stare and cross the road from me
And jungle drums they all clear the way for me
Can you read my mind can you see in the snow
And fiery demons all dance when you walk through that
door
Don't say you're easy on me you're about as easy as a
nuclear war
'cause the dream that strings the road with broken
glass for us to hold
And I got so far before I had to say
Please please tell me now is there something I should
know
Is there something I should say that would make you
come my way
Do you feel the same 'cause you don't let it show
Please please tell me now is there something I should
know
Please please tell me now can you see what makes me
blow
Please please tell me now is there something I should
know
Is there something I should say that would make you
come my way
