Now we are 21  
Now we have to get things done  
We can't watch Brady Bunch  
We can't eat Captain Crunch  
Aaaah!  
When I was 17  
I used to watch TV  
But now I'm 21  
I have to  
Get things done  
Every day we have to take  
Everything seriously  
I just can't handle it  
I still feel like a kid  
When I was 10 years old  
I didn't drink at all  
But now I'm 21  
And I drink way too much!  
21 Now we are 21  
We try but it's no use  
Just lost our last excuse  
And we'll be on the run  
Now that we are 21  
21 Now we are 21
