I want to tell you about her she's a beautiful gecko  
she's crawling out on the  
Counter when I say Ready Set Go say ready set go say  
ready set go O!  
Beautiful gecko. Now I'm a man with a mission and it's  
the normal  
Progression starts with love and affection, goes on to  
sick obsession to sick  
Obsession from love and affection and it never will be  
the same everything  
Will be great from now on cause she's got everything in  
her cage and I've  
Been waiting for so long. And when I give her a cricket  
and introduce her to  
My heart we'll be watching out eyes glow in flagrante  
delicto not gonna let  
Go when I say ready set go.
