You're so swell and I can tell you love me, amazingly,
and I love you as well. Day by day, come what may, you
don't hesitate to exaggerate and say that it's okay.
Everybody else is trying to push me around kicking me
and picking on me, running me down, knocking off my
glasses and stomping them into the ground. When
they've been doing it again, I've got to thank you for
not being one of them. As it stands, there's still a
chance you'll hear me calling as I'm crawling from the
garbage cans. The kids are having fun, proud of what
they've done. Later that night we hold each other tight
and plot their destruction. Hey hey faggot hey cry baby
cry I hate them all and I want them to die you whisper to
me sweet techniques we could murder them by. When
they've been doing it again, I've got to thank you for
never joining in. Thank you for not being one of them.
Oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh.
