

The Mr. T Experience "You Today"

Visit "[You Today](#)" on MotoLyrics.com

I'm bored today, and everything's there to be ignored
today, scattered everywhere out on the floor today,
and I don't care about you. I lost my job today, which
used to be the way I could afford to live to hate another
day and now I can't afford to even be bored anymore.
It's kind of good to feel bad again, mad again, sad
again. I'll be doing that again. I don't have to tell you I
do it really well. You said goodbye today, and I'm just
here still asking why today, and not another year, I'm
gonna cry today, but I don't care about you. Maybe it
wasn't bad to do, and you did what you had to do.
Maybe I'll believe it too, if I keep saying I don't care
about you, today I don't know what I'm gonna do today
and there's a lot to get through today, but I don't care
about you, today.
