Life is full of sweet surprises  
Everyday's a gift  
The sun comes up and i can feel it lift my spirit  
Fills me up with laughter, fills me up with song  
I look into the eyes of love and know that i belong

Bless us all, who gather here  
The loving family i hold dear  
No place on earth, compares with home  
And every path will bring me back from where i come  
Bless us all, that as we live  
We always comfort and forgive  
We have so much, that we can share  
With those in need we see around us everywhere

Let us always love each other  
Lead us to the light  
Let us hear the voice of reason, singing in the night  
Let us run from anger and catch us when we fall  
Teach us in our dreams and please, yes please  
Bless us one and all

Bless us all with playful years  
With noisy games and joyful tears  
We reach for you and we stand tall  
And in our prayers and dreams  
We ask you bless us all

We reach for you and we stand tall  
And in our prayers and dreams we ask you  
Bless us all
