When I was just a little girl  
My momma used to tuck me into bed  
And she read me a story  
It always was about a princess in distress  
And how a guy would save her and end up with the  
glory

I lie in bed and think about the person that I wanted to  
be  
Then one day I realized the fairy tale life wasn't for me

(Chorus)

I don't want to be like cinderella  
Sitting in a dark cold dusty cellar  
Waiting for somebody to come and set me free  
I don't want to be like snow white waiting  
For a handsome prince to come and save me  
On a horse of white unless we're riding side by side

Don't want to depend on no one else  
I'd rather rescue myself

Someday I'm gonna find someone  
Who wants my soul, heart, and mind  
Who's not afraid to show that he loves me  
Somebody who will understand I'm happy just the way I  
am  
Don't need nobody taking care of me

(I will be there) I will be there for him just as strong as  
he will be  
There for me  
When I get myself that it has got to be an equal thing

(Chorus)

I don't want to be like cinderella  
Sitting in a dark cold dusty cellar  
Waiting for somebody to come and set me free  
I don't want to be like snow white waiting  
For a handsome prince to come and save me  
On a horse of white unless we're riding side by side

Don't want to depend on no one else  
I'd rather rescue myself, rescue myself, rescue myself

I can slay my own dragons  
I can dream my own dreams  
My knight and shining armor is me  
So I'm gonna set me free

(Chorus)  
I don't want to be like cinderella  
Sitting in a dark cold dusty cellar  
Waiting for somebody to come and set me free  
I don't want to be like snow white waiting  
For a handsome prince to come and save me  
On a horse of white unless we're riding side by side(2x)

Don't want to depend on no one else  
I'd rather rescue myself

(Chorus)  
I don't want to be like cinderella  
Sitting in a dark cold dusty cellar  
Waiting for somebody to come and set me free  
I don't want to be like snow white waiting  
For a handsome prince to come and save me  
On a horse of white unless we're riding side by side

Don't want to depend on no one else  
I'd rather rescue myself
