Jeff Moss  
He'll make me happy  
Each time I see him  
He'll be the reason  
My heart can sing  
He'll stand beside me  
And I'll have everything  
She'll make me happy  
Each time I hold her  
And I will follow  
Where my heart may lead  
And she'll be all I'll ever need  
Days go passing into years  
Years go passing day by day  
She'll make him happy  
Now and forever  
Until forever  
Their love will grow  
She only knows  
He'll make her happy  
That's all she needs to know  
They'll be so happy  
Now and forever  
Until forever  
Their love will grow  
I only know  
He'll make me happy  
That's all I need...to...know...
