Paul Williams

It's in the singing of a street corner choir

It's going home and getting warm by the fire

It's true

Wherever you find love

It feels like Christmas

A cup of kindness that we share with another

A sweet reunion with a friend or a brother

In all the places you find love

It feels like Christmas

It is the season of the heart

A special time of caring

The ways of love made clear

It is the season of the sprit

The message if we hear it

Is make it last all year

It's in the giving of a gift to another

A pair of mittens that were made by your mother

It's all the ways that we show love

That feel like Christmas

A part of childhood we'll always remember

It is the summer of the soul in December

Yes, when you do your best for love

It feels like Christmas

It is the season of the heart

A special time of caring

The ways of love made clear

It is the season of the sprit

The message if we hear it

Is make it last all year

It's in the singing of a street corner choir

It's going home and getting warm by the fire

It's true, wherever you find love

It feels like Christmas

It's true, wherever you find love

It feels like Christmas

It feels like Christmas

It feels like Christmas

It feels like Christmas
