Everything is great  
Everything is grand  
I got the whole wide world in the palm of my hand  
Everything is perfect  
It's falling into place  
I can't seem to wipe this smile off my face  
Life's a happy song, when there's someone by my side  
to sing along

When you're alone, life can be a little low  
It makes you feel like you're 3 foot tall  
When it's just you - well, times can be tough  
When there's no one there to catch your fall

Everything is great  
Everything is grand  
I got the whole wide world in the palm of my hand  
Everything is perfect  
It's falling into place  
I can't seem to wipe this smile off my face

Life smells like a rose  
With someone to paint  
And someone to pose  
Life's like a piece of cake  
With someone to pedal  
And someone to brake  
Life is full of glee  
With someone to saw  
And someone to see  
Life's a happy song, when there's someone by my side  
to sing along

I've got everything that I need - right in front of me  
Nothing's stopping me  
Nothing that I can't be  
With you right here next to me

Life's a piece of cake  
With someone to give  
And someone to take

Life's a piece of pie  
With someone to wash  
And someone to dry  
Life's an easy road  
With someone beside you to share the load  
Life is full of highs  
With someone to stir  
And someone to fry  
Life's a leg of lamb  
With someone there to lend a hand  
Life's a bunch of flowers  
With someone to while away the hours  
Life's a filet of fish, eh!  
, Yes, it is  
Life's a happy song, when there's someone by your  
side to sing along

I've got everything that I need - right in front of me  
Nothing's stopping me  
Nothing that I can't be  
With you right here next to me

I've got everything that I need  
, Right in front of me

[Talking]  
"Sorry, super excited."

"Oh, this is the most romantic thing ever,  
I've always dreamt of seeing Los Angeles."

"I know, Walter can't wait either.  
You don't mind that he's coming, right?"

"Oh, no. No, of course not.  
As long as we can spend our anniversary dinner  
together,  
That's all I ask."

"OK, let me check on Walter."

Everything is great  
Everything is grand  
Except Gary's always off with his friend  
It's never me and him  
It's always me and him and him  
I wonder when it's going to end?  
But I guess that's OK  
'Cause maybe someday  
I know just how it's going to be  
He'll ride up on a steed

And get down on one knee  
And say, "Mary, will you marry meee, please?"

I've got everything that I need - right in front of me  
Nothing's stopping me  
Nothing that I can't be  
With you right here next to me

You've got everything that you need - right in front of  
you  
Nothing's stopping you  
Nothing that you can't do you  
That the world can throw at you

Life's a happy song  
When there's someone by your side to sing  
Life's a happy song  
When there's someone by your side to sing  
Life's a happy song  
When there's someone by your side to sing along
