[Kermit]

Ladies and Gentlemen, Its The Muppet Show!

[Muppets]

Its time to play the music

Its time to light the lights

Its time to meet the muppets on the Muppet Show
tonight.

Its time put on makeup

Its time to dress up right

Its time to raise the curtain on the Muppet Show tonight

[Old Men]

Why do we always come here?

I guess we'll never know

Its like a kind of torture

To have to watch the show

[Muppets]

But now its getting started

Why don't you get things started?

Its time to get things started

On the most sensantional

Inspirational

Celebrational

Muppet-ational

This is what we call The Muppet Show!
