Paul Williams  
With a thankful  
With a endless joy  
With a growing family  
Every girl and boy  
Will be nephew and niece to me  
(Nephew and niece to me)  
Will bring love, hope and peace to me  
(Love hope and peace to me)  
Yes, and every night will end  
And every day will start  
With a grateful prayer  
And a thankful heart  
With an open smile and with open doors  
I will bid you welcome  
What is mine is yours  
With a glass raised to toast your health  
(With a glass raised to toast your health)  
And a promise to share the wealth  
(Promise to share the wealth)  
I will sail a friendly course  
File a friendly chart  
On a sea of love and a thankful heart  
Life is like a journey  
Who knows when it ends?  
Yes, and if you need to know  
The measure of a man  
You simply count his friends  
Stop and look around you  
The glory that you see  
Is born again each day  
Don't let it slip away  
How precious life can be  
With a thankful heart that is wide awake  
I do make this promise  
With every breath I take  
Will be used now to sing your praise  
(Used now to sing your praise)  
And beg you to share my days  
With a loving guarantee  
That even if we part  
I will hold you close in a thankful heart

I will hold you close in a thankful heart  
In a thankful heart
