The birthday gifts,
Are on their way,
We can have a super holiday.
Stay a little longer with your friends.
Play a little longer with your friends.

Are on their way,
We can have a super holiday.
(Stay a little longer with your friends)
(Play a little longer with your friends)

The birthday boy,
Is back to stay,
We can have a noisy holiday.
Stay a little longer with your friends.
Play a little longer with your friends.
