We built this city, we built this city on rock an' roll
Built this city, we built this city on rock an' roll

Say you don't know me, or recognize my face
Say you don't care who goes to that kind of place
Knee deep in the hoopla, sinking in your fight
Too many runaways eating up the night

Marconi plays the mamba,
Listen to the radio
Don't you remember?
We built this city,
We built this city on rock an' roll!

We built this city, we built this city on rock an' roll
Built this city, we built this city on rock an' roll

Someone always playing corporation games
Who cares - they're always changing corporation
names
We just want to dance here, someone stole the stage
They call us irresponsible, write us off the page

Marconi plays the mamba,
Listen to the radio
Don't you remember?
We built this city,
We built this city on rock an' roll!

We built this city, we built this city on rock an' roll
Built this city, we built this city on rock an' roll

It's just another Sunday, in a tired old street
Police have got the choke hold, oh, but we just lost the
beat

Who counts the money underneath the bar
Who rides the wrecking ball in two watt guitars
Don't tell us you need us, cause we're the ship of fools
Looking for America, crawling through your schools

(I'm looking out over that Golden Gate bridge
Out on another gorgeous sunny Saturday,
I'm seeing that bumper-to-bumper traffic)

Don't you remember? (remember)

(Here's your favorite radio station, in your favorite
radio city
The city by the bay, the city that rocks, the city that
never sleeps)

Marconi plays the mamba,
Listen to the radio
Don't you remember?
We built this city,
We built this city on rock an' roll

We built this city, we built this city on rock an' roll
Built this city, we built this city on rock an' roll

We built this city, we built this city on rock an' roll
Built this city, we built this city on rock an' roll

(We built, we built this city)
Built this city (we built, we built this city)
[repeat until fade]
