"We Need A Little Christmas"

Haul out the holly
We're getting home so we can start to celebrate
Fill up the stockings
We may be rushing things but we can hardly wait now

For we need a little Christmas, right this very minute
Candles in the window, carols at the spinet
Yes we need a little Christmas, right this very minute
It hasn't snowed a single flurry
Fozzie, we're all in a hurry

Haul out the holly
Turn on the brightest string of lights we've ever seen
Slice up the fruitcake
It's time we hung some tinsel on that evergreen bough

For we need a little music, need a little laughter
Need a little singing ringing through the rafter
Yes we need a little snappy happy ever after
We need a little Christmas now
