

## The Muppets "Why?"

Visit "[Why?](#)" on MotoLyrics.com

Sometimes I'm alone,  
Sitting on my very own,  
Trying to find a simple kind of clue.  
And I would like to know,  
Why the Doozers move me so,  
Doing all the things that Doozers do.  
Why do caterpillars crawl?  
Why is there a sky?  
Why is there a world at all?  
And why do I ask why?  
Here I go again.  
Why do questions never end?  
What keeps callin' all day long to me?  
Secrets come and go.  
I know we're not the only ones.  
Sometimes magic, sometimes only me.  
Why do caterpillars crawl?  
Why is there a sky?  
Why is there a world at all?  
Any why do I ask why?
