We are the muses
Godesses of the arts and proclaimers of heros
Herros like hercules!
Honey, you mean hunk-ules!
Whoooo hooo!
I'd like to make some sweet music with this-
Our story actually begins long before hercules, many
eons ago...

Aaaaaah yeaaaah!
Back when the world was new,
And planet earth was down on it's luck,
And everywhere gigantic brutes called titand ran a
muck!

It was a nasty place!
There was a mess wherever you stepped!
Where chaos raved and earthquakes and volcanos
never slept!
(Whoo! say it, girlfriend!)

And then along came zeus!
He hurled his thunder bolts!
He zapped!
And locked those suckers in some bars!
Their trapped!
And on his own stoped chaos in it's tracks!

And that's the gospel truth!

It was time for two tight a's to just relaaaaxe!

And that's the worlds first dish!
(Yeah, baby!)
Zeus taimed the globe was still in his youth!
Though honey it may seem impossible, that's the
gospel truth!

Na na na it's the striding streak
And smooth and sweet
They lose!

Aaaaaaaah!
Though honey it may seem impossible that's the
gospel truuuuuuth!
