Hey, Halright

Sometimes dreamin'  
I'm in here schemin' on you

Collectin' headers  
With nothin' better to do

Memory is everywhere  
Love and you is in my hair  
And eyes  
Maybe with the time and place  
A look will come upon your face  
Of surprise.

When you see the people in me  
Minus you what will you do

When you see the people in me  
Minus you it's overdue

While I'm cryin  
I'm rectifyin' the cause  
Friends are cheerin'  
And I'm hearin' applause

The train is here you better run  
Don't call me I'll never come  
Unto you  
They're over now the games you play  
Just what you'll do, just what you'll say  
Uh oh you

Â— Middle Â—

Memory is everywhere  
Love and you is in my hair  
And eyes  
Maybe with the time and place  
A look will come upon your face  
Of surprise.

When you see the people in me  
Minus you what will you do

When you see the people in me  
Minus you it's overdue

Hut, Halright
