Feels grand, don't it?
Ehh, Ehh, Ehh, Ehh yeah
Ehh, Ehh yeah

It's a typical friday night
There's a party over here
The DJ got us feelin' right
Drinks and models everywhere
Never with an empty cup
Chopped n' chopped n' screwed up
Dancin' dancin' on the bar
And we just don't give a f***

And I know
I know I wanna take you to the after party (after, after
party)
So I'm going, Going to take a ride
Just a second, I'll be back
Ready for you to come inside
I opened up and you said
"Do you always party in your underwear"
(I wanna know, I wanna know)
But what I really wanna know is
Do you like to party in your underwear?

Cuz since the party's over now
Take it off, take it all off
We don't gotta wait around
Take it off, take it all off
Cuz since the party's over now
Take it off, take it all off
We don't gotta wait around
Take it off, take it all off

It's about 11 o'clock
and it's Saturday afternoon
Pull the pull the shades down
Cuz I'm feeling kinda uhhhh
Like the room is gonna spin
Oops, I think I did it again
It's kinda blurry in my head
but I think I might of said ummm...

Let's go to the after party (after, after party)
So I'm going, Going to take a ride
Just a second, I'll be back
Ready for you to come inside
I opened up and you said
"Do you always party in your underwear"
(I wanna know, I wanna know)
But what I really wanna know is do you like to party in
your underwear?

Cuz since the party's over now
Take it off, take it all off
We don't gotta wait around
Take it off, take it all off
Cuz since the party's over now
Take it off, take it all off
We don't gotta wait around
Take it off, take it all off

Ehh, Ehh, Ehh yeah
Ehh, Ehh, Ehh yeah

This is for the DJ... (x3)

Cuz since the party's over now
Take it off, take it all off
We don't gotta wait around
Take it off, take it all off
Cuz since the party's over now
Take it off, take it all off
We don't gotta wait around
Take it off, take it all off
