"Clean Shot"

I would die to be your lover lost at sea
And I'd fly to hear your arid siren
And I'd scream "My love!" through bloody hurricanes

Would you say so if you thought of me?
Would you say so if you thought of me?
And would it crush you if you saw me bleed?
And would you dance the same if you knew
that i could see? Do you feel the same for me?

With guns ablaze I'll bring you what you need.
And with fires of rain and wake our blinking
city up. I'll scream my love as arrows fill the
skys.

Would you say so if you thought of me?
Would you say so if you thought of me?
And would it crush you if you saw me bleed?
And would you dance the same if you knew
that i could see? Do you feel the same for me?

Would you say so if you thought of me?
Would you say so if you thought of me?
And would it crush you if you saw me bleed?
And would you dance dance dance if you knew
that i could see? Ah, do you feel the same for me?

Hey now oh no you've got a clean shot.
All the ways you could pierce my heart.
Hey now oh no you've run me right through.
With all these words that i've sung to you.

Would you say so if you thought of me?
And would it crush you if you saw me bleed?
And would you dance the same if you knew
that i could see?

Would you say so if you thought of me?
And would it crush you if you saw me bleed?
And would you dance dance if you knew
that i could see? do you feel the same for me?
